## ANNOUNCEMENT

February 27, 2023

After serving for 28 sessions in the Virginia Senate, I have decided not to seek election for another four year term.

I have thoroughly enjoyed my many years of service in the Senate and the honor and opportunity to improve the lives of my constituents and all Virginians.

I appreciate the many who have urged me to seek another term. I look forward to continuing my law practice and to spending time traveling and with my family.

I am proud of the many accomplishments I have worked on and I look forward to continuing my work through the remainder of my term.

Senator John S. Edwards
